Reflections..... from the Administration and the Board of Directors

THIRTY YEARS and counting! While it seems like a long time to many of us, we are the youngest Catholic Charities agency within the State of Michigan. Throughout these 30 years, the agency has grown/evolved/changed and grown/evolved/changed again. However, some things remain constant: Our strong connection with the Roman Catholic Diocese of Lansing and our relationship with the local Catholic parishes. Another constant is our on-going commitment to serve the individuals and families who struggle the most within Livingston County. Our commitment to those who financially struggle is deeply embedded within the organizational culture.

The agency has always provided outpatient counseling, along with senior outreach services for 25+ years; but other programs have also been added. Since 2001: Substance Abuse Treatment, Substance Abuse Prevention, Substance Abuse Early Intervention, Adult Day Services, Foster Family Care and Adoption.

In the mid-1990's, the local parishes pulled together to provide the agency with financial assistance in two critical ways. In response to a challenge from the Van Duesen Foundation, agency board members and other volunteers raised over \$200,000 to respond to the challenge and begin our endowment. Today, the endowment has grown to over \$700,000, with up to 5% annually available for general operations. The other mid-1990's project was the launch of the Loaves & Fish Annual Appeal. Each November the 8 parishes provide the opportunity for the parishioners to make a gift to the agency. *Continued on page 2* ▶

CLIENT STORY

Be Our Guest Adult Day – bringing back a sense of independence and dignity for clients suffering with Dementia & Alzheimer's

During an interview with a family member of a Guest (client) at Be Our Guest Adult Day (BOGADS), she expressed the sense of relief that their family members near and far, feel knowing that their mother is happy and in a safe, caring and stimulating environment.

It was becoming increasingly difficult for her father-in-law to care full time for her mother-in-law after she was diagnosed with Dementia. Knowing that BOGADS existed in their community was the deciding factor in moving mom and dad to Livingston County to be closer to family. With the assistance of BOGADS during the day, family members are able to continue to work and care for mom and dad in the evenings.

BOGADS meets each client where they are at in their phase of Dementia. Some Guests believe this is their "job" and are excited to come to "work" each day. Others feel they are in a social club, which staff members reinforce daily. Each day is filled with stimulating activities – both physical and mental, exercises, crafts, games and more. For those needing an activity break, a relaxation room is available.

In addition to caring for their loved one, the family feels that staff members are like their extended family and values their knowledge and assistance while they navigate through the progression of the disease. With your continued support, LCCC can offer Be Our Guest Adult Day to clients on limited incomes on a cost-sharing basis. We rely on the generosity of others to help offset the costs of the activities, supplies and programs designed to bring purpose to the day of those struggling to maintain their dignity and independence.

For a tour or more information, please contact Suzi or Katie at 517-546-9910.

Reflections..... from the Administration and the Board of Directors

Continued from page 1

For the past 3 years, these gifts have contributed about 5% of the total budget. This support is tremendously appreciated by board members, coworkers and those we serve.

We are proud of that which makes us unique within Livingston County:

- All programs and services nationally accredited by the Council on Accreditation.
- Counseling services available for the uninsured, insured and those eligible for government funded services.
- Only Adult Day Service program.
- Countywide Senior Resource Advocacy.
- Fiduciary for substance abuse prevention services.

We look forward to many more years of responding to local community needs. We look forward to many more years of partnership with our local parishes, the Diocese of Lansing, the local private and governmental service-delivery system and all of the volunteers who support our efforts. We are deeply grateful to all. Without your prayers and financial support we could not perform the work that we do.

Yours in Service,

Thomas Janego
President, Board of Directors

Executive Director

Special Grant Funds at Work...

We are grateful to those bestowing on LCCC special funding that assists with in-house projects. This year LCCC received a grant from the Maria Anna Brunner Fund which allowed LCCC to hire a part-time aide in our Senior Services Department – allowing staff to free up more time from paperwork, phone calls, and reports to spend meeting with and assisting county seniors with their needs. Additional grant monies from the Maria Anna Brunner Fund were also awarded to help cover the cost of additional counseling services for clients in our Parole/Probation Reentry Treatment Program.

Grant funds were also received from Livingston County Consortium on Aging, to purchase items for our volunteer drivers to enhance the safety of the seniors we serve along with safety items to enhance the safety of our Guests and staff at Be Our Guests Adult Day.

Other generous grant funds were received from the Diocesan Services Appeal, DTE Energy Foundation, Catholic Campaign for Human Development, Robert W. & Maxine C. Parker Foundation and First Presbyterian Church of Brighton.

Volunteers learn how to use safety items.
