In order for financial assistance to be considered, please provide evidence of need with you registration to our office, an IRS tax income statement is recommended. You will be sent a scholarship form to fill out.

Due to our agreement with LETS transportation, any participants adding an activity less than one week prior to the activity date will need to arrange their own transportation. We cannot guarantee transportation after our transportation lists have been sent in to LETS. These are due to LETS one week prior to an activity, so LETS has plenty of time to find a driver and plan their route.
